

By selecting the Psychology Honors course at Brownstown Central High School you are now a member of a very small, elite group. By enrolling in this course you are making a major commitment, and it is important that both you and your parents understand the caliber of work that is necessary for success. This course is a modified traditional/online class. You will meet some days in class with a traditional class setting, but most days you will not meet during assigned class time and you will be dismissed to complete work on your own time by utilizing online resources.

Carefully read each of the following items. When finished, sign, date, and return this contract to Ms. Workman.

1. I understand that this class will follow a set schedule provided by the teacher in a unit by unit format.
2. I understand I must attend class on scheduled days.
3. I understand all work is due on assigned dates.
4. I understand I must sign-out in the office on the days that class is not meeting and leave campus immediately.
5. I understand that homework is intense and required preparation for me to be successful in this course. I understand I will have a great deal of reading, homework, and writing assignments per week.
6. I understand that class participation is more than physical presence and it represents meaningful contributions to online class activities.
7. I understand that the objective of this course is to provide me with analytical skills and factual knowledge necessary to deal critically with problems and resource materials in Psychology.
8. I understand that if I do not maintain the work schedule that Ms. Workman may require me to stay at school during the assigned class period to complete work even if it is not a scheduled class meeting day.
9. I understand Ms. Workman is available and willing to help me before and after school by appointment.
